J. How we intend to use and repay the funds

Our company is looking for business working capital for expansion and rolling purpose. We plan to purchase in more stocks for some hot items. This is to lower down the cost per unit in order to increase the gross profit margin. Furthermore, we also plan to hire additional workers for sales department to increase the company revenue.

We will use part of the fund as our business daily cashflow as well. Our customer normally will make payment after 30-90 days. In the other hand, we must pay our oversea supplier bu cash. Thus, we need stronger cashflow to make sure we have ready stock to supply.

The most important part is our company do not have any loan at the moment, based on our current sales and cash flow we are confident to serve the monthly instalment promptly.
