BACKGROUND OF BUSINESS

A. Who are we

We are a rubber cup lump (Getah) trading company.

B. What do we do

We collect rubber directly from rubber tappers every day and supply it to semi-processing plants to make it into SMR 10 and SMR 20 rubber grades. These rubber grades are commonly used in tires and shoes, as well as in general moulded and extruded rubber products.

C. When did we start our business operations

Our company was registered and started operations in April 2010.

D. Where we are operating our business in

A small office in the front yard of my house is located at Slim River.

E. How much have we invested into the business to-date

Up to date, we have invested more than RM180,000 into this business (Including a 3 tons lorry).

F. No. of Outlets/Branches we have now (if any)

No outlet at the moment

G. Our Annual Sales Turnover

2019: RM684,006

2020: RM700,000

H. Experience of our Key Management Team

The owner has more than 10 years of experience in this industry.

I. Staffing – Staff Strength

Admin - 1

Part-time helper/driver - 2

J. How we intend to use and repay the funds

The purpose of seeking additional funds is for business working capital. As our sales are increasing, we intend to use this fund to increase inventory and build a storeroom for business expansion.

We only deal with regular customers, hence additional repayment won't be a burden to our company, and we strongly believe we can make payment to the platform promptly.
